Department:	Manufacturing
Reports to:	Workshop Manager
Responsible for:	N/A
Location:	Worksop
Hours of Work:	40 hours per week. Monday to Thursday 6am to 4:30pm.
Closing date:	

Our values:

We are part of the Terberg Environmental Group that has roots going back to 1869, part of the larger Terberg Group that is still family-owned. All employees of our organisation are asked to represent our core values in all their business dealings, and candidates are required to demonstrate their understanding and commitment to representing these values. Our core values are Customer Focus, Entrepreneurial Spirit, Flexibility, Innovation, Integrity, Quality and Sustainability.

Job Purpose:

To ensure the correct output is achieved to the correct build time and build process. Also being of the correct standard of quality and in line with BS EN ISO 9001 quality management systems.

- Health & Safety
- Quality
- Team Working
- Flexibility of Labour.
- General Issues

Main Duties and Responsibilities:

- Treat H&S as the number one priority at all times. Use the correct PPE. Highlight any areas of risk. Promote good housekeeping. Operate within the company guidelines and procedures.
- Take ownership of your own quality and workmanship. Carrying out personal inspections of own work.
- Demonstrate through training and development, a higher degree of competence.
- Ensure that drawings, build procedures, processes and instructions are adhered to.
- Work to the operation / takt times given. Completing a daily time sheet in line with activities.
- Responsible for good housekeeping & cleanliness of work areas.
- To assist other team members in their operations as required.
- Have a positive approach and a 'can-do' attitude.
- Be expected to carry out any reasonable request.
- Actively seek to improve job knowledge inside your working area to improve your personal skills matrix.
- Be prepared to move around your own area and into other areas when required to suit the business needs. Adequate training will be provided and H&S issues will be taken into account.
- Show co-operation when required to move around different areas.

- Attendance - Be able to attend work on a daily basis and to the agreed hours within the hourly paid Terms and Conditions.
- Punctuality - Be able to attend work on time and to the hourly paid start and finish times.
- Discipline – Self-disciplined and able to follow company policies and procedures.

Quality & Environmental Responsibilities:

Responsible for the management, compliance and upkeep of the quality & environmental procedures, records, and documents relevant to the role.

Dennis Eagle Ltd is an equal opportunities employer and we welcome applications from all candidates.
